NATURALLY DURABLE

Allweather Wood Coos Bay Plant Guide

69015 Hauser Depot Road
North Bend, OR 97459

The **Allweather Wood Coos Bay** pressure treated plant is a full-line manufacturing and distribution facility on the **Southern Oregon Coast** servicing Dealers, Wholesalers, and “Jobbers” in the Western U.S. In addition, the **Allweather Wood Coos Bay** facility possesses expertise in quoting and shipping lumber for the Export market throughout the Pacific Islands.

The **Allweather Wood Coos Bay** facility stocks over 18 million feet of Treated and Non-Treated Douglas-fir OTG; the facility species mix is 50% Douglas-fir and 50% Hem-fir. The Coos Bay facility offers jobsite delivery, pull-to-piece orders, specialty treated quotes, and Treating Service Only (TSO) services.

You may call our sales office in Washougal, WA **(800) 777-8134** with inquiries regarding this facility.
