NATURALLY DURABLE

Allweather Wood Washougal Plant Guide

825 S 32nd Street
Washougal, WA 98671

The **Allweather Wood Washougal** pressure treated plant is a full-line manufacturing and distribution facility in **Southern Washington**. The facility specializes in Hem-fir products for the Washington, Oregon, Alaska, Utah, Montana, and Idaho markets. Douglas-fir items are available to our Washington and Northern Oregon-based customers from our Coos Bay and White City facilities (weekly transfer trucks from Coos Bay).

The **Allweather Wood Washougal** facility inventories over 8 million feet of Lumber, Plywood, and Misc. Treated items OTG for prompt service. The Washougal facility offers jobsite delivery, pull-to-piece orders, and Treating Service Only (TSO) services.

You may call our sales office **(800) 777-8134** with inquiries regarding this facility.
